

rotozoomSurfaceSizeXY

```
graph LR; A[rotozoomSurfaceSizeXY] --> B[_rotozoomSurfaceSizeTrig]
```

A diagram showing a relationship between two variables. On the left, a gray rectangular box contains the text **rotozoomSurfaceSizeXY**. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text **_rotozoomSurfaceSizeTrig**. Both boxes have a black border.
