

**Blobs::setColor**

```
graph LR; A[Blobs::setColor] --> B[Blobs::color];
```

A diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'Blobs::setColor'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'Blobs::color'.
